

Poso Creek IRWM Plan Implementation Activity and Correspondence for March, 2016

Activity Summary:

- NK submitted agreement information to the DWR for the Proposition 84 IRWM Imp funding and is awaiting contract; NK is the Grantee for the DWR contract with LHUD a project sponsor.
- The Poso Creek IRWM RWMG members worked on items to reconcile costs to support SSJMUD's participation in the RWMG; Isela Medina provided Dana Munn with draft summary of past expenses incurred to use as a basis for the estimated shared cost for SSJMUD to participate as a RWMG participant. The information will be presented at the next Poso RWMG meeting. Remaining items include adjustments needed to the Governance MOU and possible adjustments to future cost sharing agreement for the RWMG.
- Shafer-Wasco ID continues to work with Reclamation Staff to complete a grant funding contract for the modified Madera Ave Intertie project and with a consulting team to complete the NEPA process.
- DWR has extended the public comment period on the draft PSP for Proposition 1 funding for DAC involvement into April; communication with the Tulare Basin Funding area was limited in March.
- Jessi Snyder presented information at the March Poso meeting regarding participated in a DAC Involvement Workshop held at P&P's Office in Visalia, February 24th. She expressed the need for coordination for the DAC Involvement grant application due later in the summer.
- Skye Grass, K-T WD was to confer with Reclamation regarding use of the Poso Creek EA for Banking, Transfers, and Exchanges with SSJMUD's involvement in the Poso Creek IRWM RWMG and report back to the Poso Creek IRWM RWMG at the next public meeting.
